

Annually, the U.S. House of Representatives sponsors a nationwide art competition, "An Artistic Discovery," to showcase outstanding works of art by our nation's high school students. Each member of Congress has the opportunity to submit one work of art for display in the U.S. Capitol

The 2011 deadline to submit the artwork is Wednesday, April 20th, 5 PM, PST. For more information, please contact your high school art instructor, your high school principal or my District office at (510) 494-1388.
